DOD HD & CS JOC Limited Objective Experiment (LOE) Campaign Plan

21 June 2007

CDR Joe Voboril
NC/J521

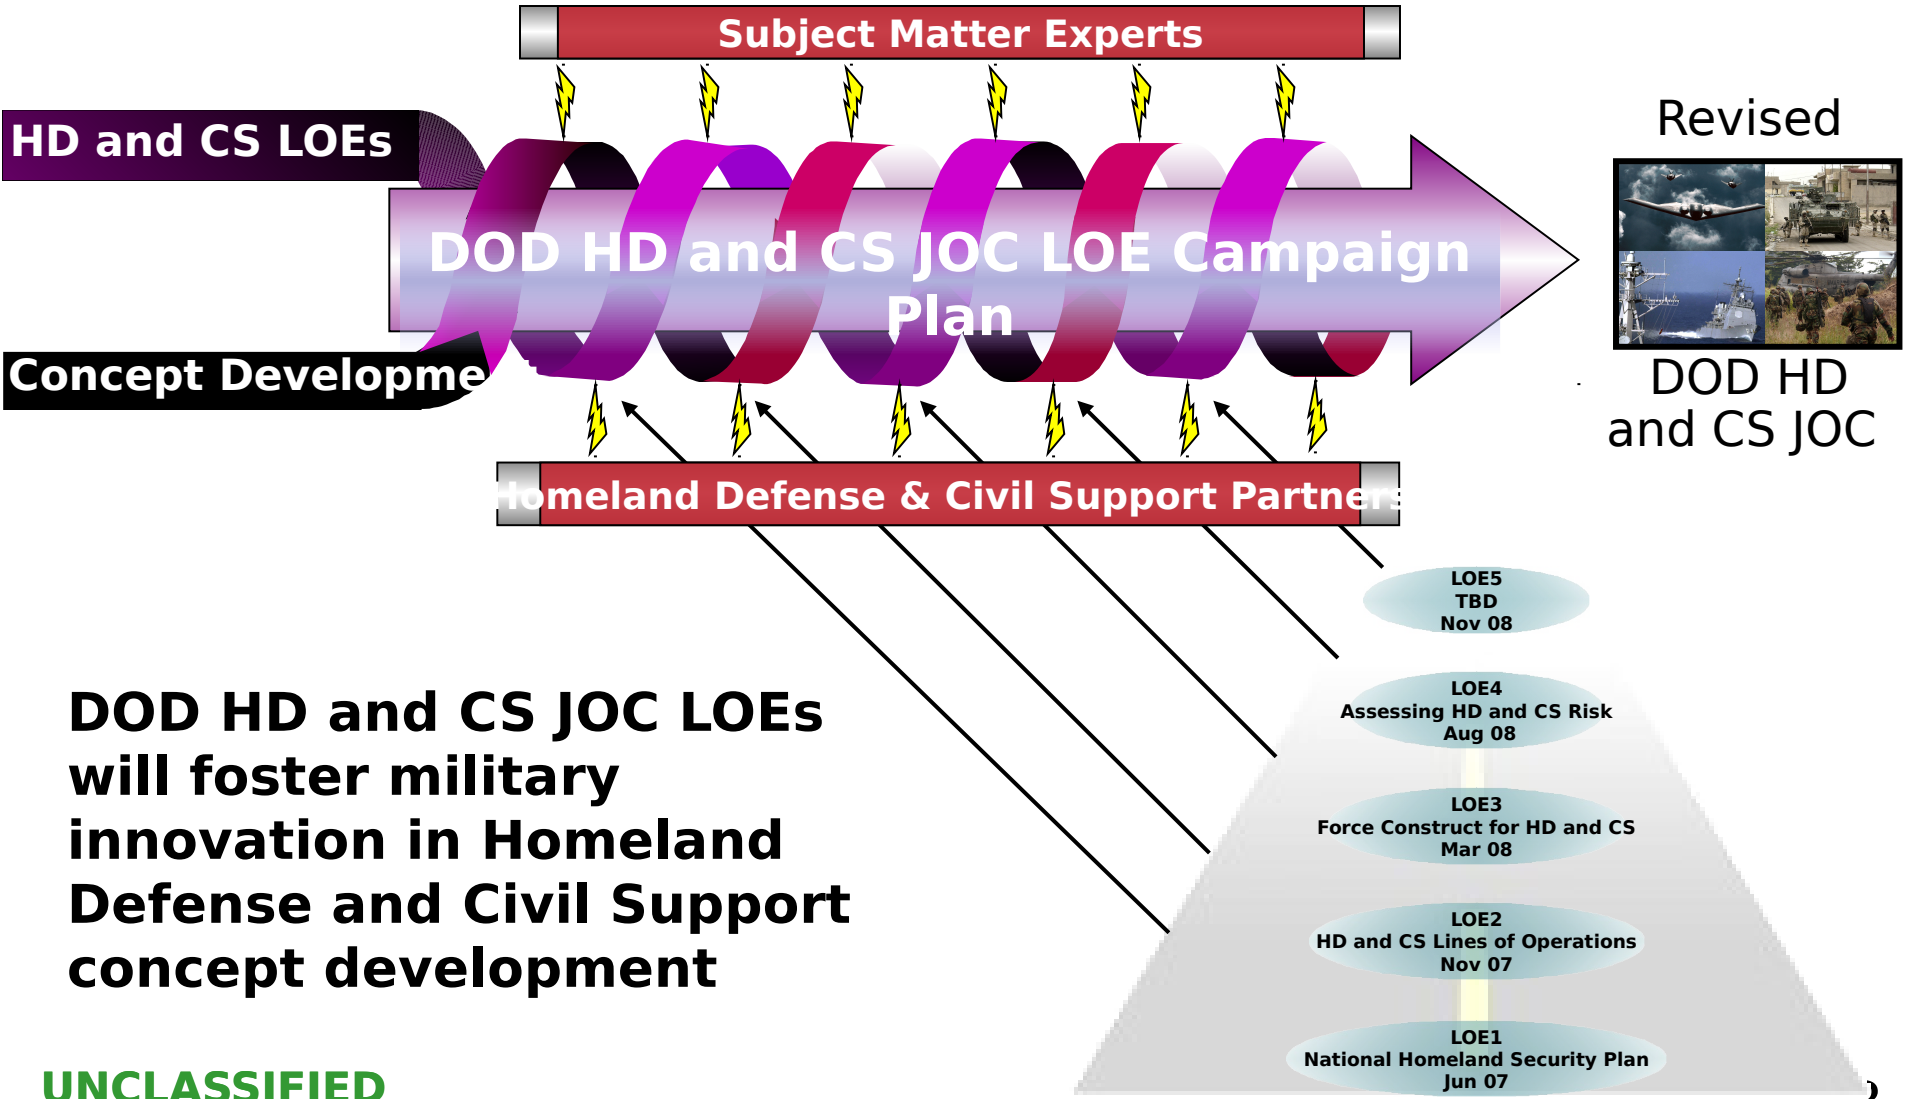
Purpose

USNORTHCOM Strategy and Policy Division and NORAD-USNORTHCOM Analysis Division

partner with Joint Concept Development and Experimentation partners to inform the Department of Defense Homeland Defense and Civil Support Joint Operating Concept through a series of

Limited Objective Experiments (LOEs)

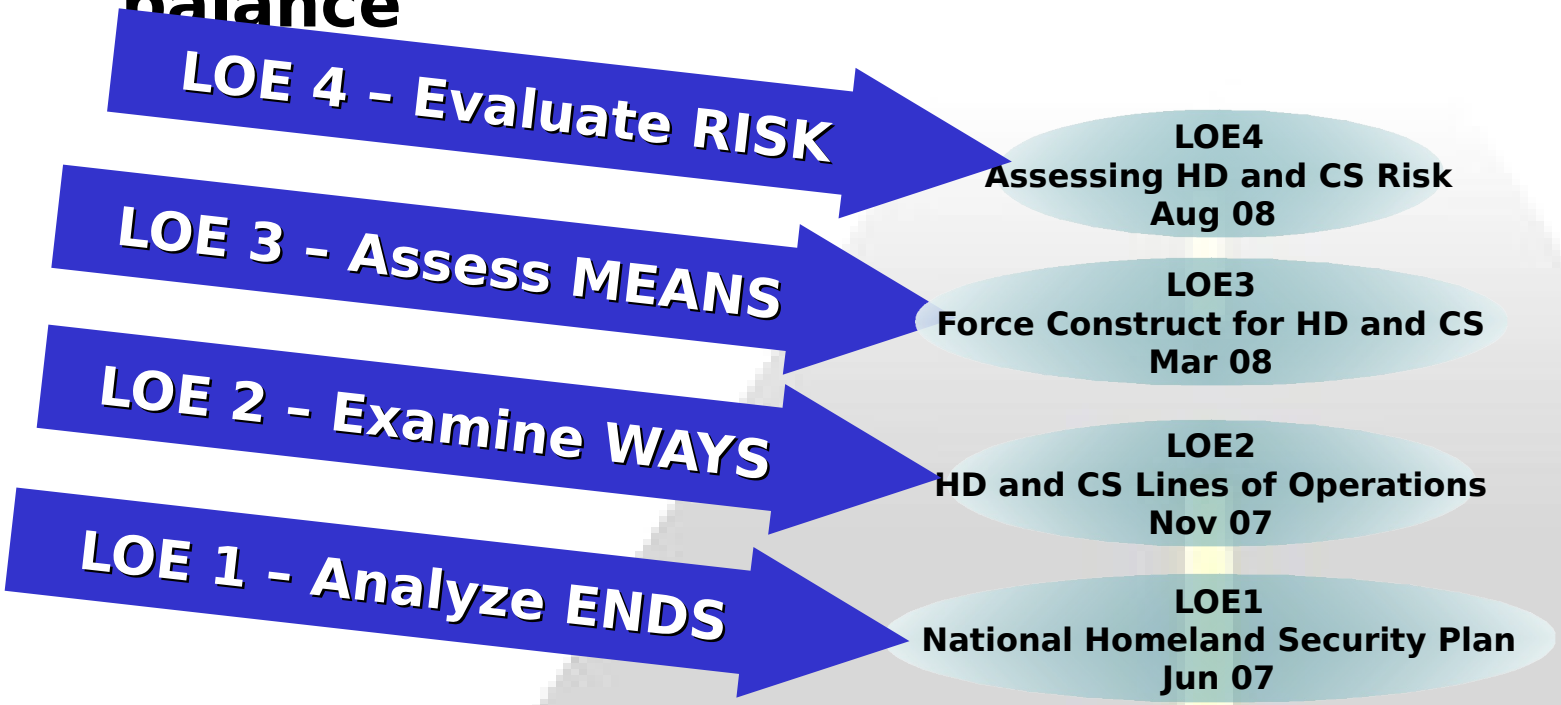
LOE Campaign Plan



DOD HD and CS JOC LOEs will foster military innovation in Homeland Defense and Civil Support concept development

LOE Plan Rationale

- **Strategy is a *relationship* of ENDS, WAYS, MEANS**
- **RISK gauges the ENDS-WAYS-MEANS balance**



LOE Structure

- **Target: 36 participants**
  - **Small group participation (06 / GS15 Level)**
  - **Participants targeted to subject matter**
- **Locations: DC, War Colleges, venues convenient to participants**
- **Execution dependant on subject matter**

Expectations

- Generate and identify future issues for HD and CS concept development and experimentation
- Bring together key stake-holders to examine HD and CS concepts
- Collaborate with government and non-government officials on DOD HD and CS concepts

LOE Campaign Plan Measure of Success

A Joint Operating Concept that has influenced National and DOD strategic direction, is easy to understand, kept simple, and makes a difference in the hands of the Joint Force Commander

LOE 1 Purpose

The DOD Homeland Defense and Civil Support

Joint Operating Concept (DOD HD and CS JOC)

version 2.0 calls for a National Homeland Security Plan to implement National Security Strategy (NSS) essential tasks –

LOE 1 seeks an interagency

perspective to inform this recommendation

LOE 1 Objectives

- **Gain insights into what guidance / organization / systems / processes are necessary to synchronize and integrate implementation of the NSS and achieve unity of effort in the execution of NSS essential tasks**
- **Gain insights on how to better integrate and coordinate national security efforts, to include roles, responsibilities and lines of communication among organizations**
- **Gain insights into barriers that must be overcome to achieve unity of effort (lexicon / cultures / agenda)**

Key to Success for future LOEs

- **Support from the War Colleges**
- **Support from the Services, USJFCOM and other Combatant Commands**
- **Continued support from government and non-government partners**
- **Continued support from OSD, the Joint Staff J-5 and Joint Staff J-7**
